GENERAL INSTRUCTIONS:

The information on this form will be used to evaluate your current ability to produce the reported yields. By signing this form, you certify that the information provided is complete and accurate and that you understand the information may be audited. Inaccurately reported information or failure to retain records and supporting documentation may result in an assessment which reduces the probable yield, cancellation of insurance and a requirement that you repay any indemnities. Individual information on this form will not be released to any party other than the insurer without the written consent of the insured.

1. If more than one commodity is grown, complete a separate Schedule W-1 for each commodity.

PART 1: INSTRUCTIONS:

- Question A Please print your name as stated on Schedule A.
 Question E You have a financial interest if you share in the proceeds of the crop.
 For example if you receive 25% of crop revenues your financial interest is 25%.
 Give the farm name and specify your financial interest according to the following classifications:
 Sole Proprietorship (SP) Partnership (P) Shareholder (SH) or Crop Share (CS).

PART 2: INSTRUCTIONS:

- Question A If reported yields (Part 2, Question D) do not come from current land base, explain where reported yields came from.
 Question B Explain any recent changes in management practices which may affect yields, for example:
 1. irrigation or drainage practices 4. harvesting methods (hand or machine)
 2. fertilizer application: rate or method 5. frost control - e.g., wind machine
 3. insect and weed control 6. organic production management
- Question D Report all production for each crop year where you possess acceptable records as defined below.
 For each year you report, indicate how the crop was disposed of: wholesale (processor, packinghouse, broker, elevator, etc.), direct sales (off farm sales), or own use (fed to livestock). ***

Acceptable Records - Your annual acreage and production figures will be used providing you possess and retain the documents which substantiate the quantities reported.

Total Production - We require direct evidence which clearly indicates the weight in lbs., tons, bales, big bins, etc. (e.g., sales receipts or third party records such as packinghouse or processor records where the weight is stated outright or the number of units is stated and units X a standard weight for those units equals production weight. WHERE YOU DO NOT HAVE THIS DIRECT EVIDENCE, YOU SHOULD LEAVE THE PRODUCTION COLUMN (PART 2, SECTION D) BLANK. WHERE THIS COLUMN IS BLANK, AN AVERAGE PROVINCIAL PRODUCTION, FOR THE COMMODITY, WILL BE USED IN PLACE OF YOUR ACTUAL PRODUCTION.

Planted Acres - Provide planted acreage whenever you have filled in the production column. Your records should prove an ownership or leasehold interest in the land although they may not substantiate the exact acreage reported.

Total Production Units of Measure

- Berries: pounds by variety
- Forage: tons, bales or silage loads
- Grain: tonnes by crop
- ****Grapes: pounds by variety
- ****Tree Fruits: pounds/ big bins by variety
- Vegetable: pounds by variety

*****ADDITIONAL INSTRUCTIONS FOR FORAGE PRODUCERS**

It is understood that in many cases livestock producers do not possess third party records. Provide yield history from your own records. Complete Schedule W-2. Records you provide will be reviewed for authenticity.

******ADDITIONAL INSTRUCTIONS FOR GRAPE AND TREE FRUIT PRODUCERS**

To ensure that we may provide you with the most accurate insurance policy possible, please complete Schedule W-3.
